Report on the Financial Statements

We have audited the accompanying financial statements of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program, which comprise the statements of financial position as of December 31, 2015 and 2014; the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended; and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

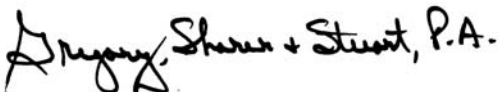

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and related notes, as required by Title 2 U.S. Code of Federal Regulations (CFR), Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 22, 2016 on our consideration of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control over financial reporting and compliance.

Note A - Organization and Summary of Significant Accounting Policies

Organization and Purpose

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program (the Organization) is a nonprofit organization founded in 1986 whose mission is to provide homeless and low-income individuals and families with housing, food, clothing, and support services necessary to obtain self-sufficiency and improved quality of life. Funds used for operations are received from federal, state, local, and private sources.

The Organization provides emergency, transitional, and permanent housing for men, women, children, and veterans, including those with mental illnesses. The Organization offers a full continuum of shelter care for the entire homeless population and, with its community partners, provides residents access to a wide range of support services.

Housing Programs

Services provide for overnight, emergency, transitional, and permanent housing needs; clothing, food, personal care, life skills, case management, and transportation costs of the residents.

Support Services

- Counseling - Services include substance abuse care and alcohol treatment, recovery services, vocational and employment training, mental health therapy (individual, group, and families), and public benefits access.
- The Learning Center - This is a partnership with R'Club Child Care, Inc. to provide before and after school care, transportation, and a summer camp program. The program provides academic and social skill building assistance for school age youth.
- Dental Clinic - The clinic is utilized by volunteer dentists, orthodontists, dental hygienists, and students providing a full range of dental care for residents.
- Bike Recycling and Distribution Program - The bike shop provides homeless adults and children with refurbished and recycled bikes, accessories, and helmets.

- Food and Nutrition - Onsite kitchen and dining hall provides three meals a day, seven days a week. A contracted licensed nutritionist provides one-on-one consultation to residents to support healthy eating habits and meal planning.
- Medical Care - This program is provided onsite through a partnership with a Morton Plant Outreach Team. The services include medical assessments, laboratory services, and treatments for nonemergency illnesses or injuries offered by an on-site staff of licensed practical nurses, nurse practitioners, and case managers.
- Transportation - Services include transportation services of two roundtrips each weekday for veterans to Bay Pines Hospital.
- Community Housing Assistance Program (CHAP) is available to assist eligible applicants avoid potential homelessness by eliminating rental payments in arrears, providing one-on-one housing counseling to ensure stability of their new housing situation, and by providing move-in costs in instances of homelessness.
- Thrift Store - Onsite store provides clients with job training, clothes, and household items. All store proceeds are invested into the operations of the Organization.

Basis of Presentation

The Organization's financial statements are prepared on the accrual basis of accounting.

Reclassifications

Certain amounts in the 2014 financial statements have been reclassified to conform to the 2015 presentation. The reclassifications had no effect on previously reported changes in net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

December 31, 2015 and 2014

Cash and Cash Equivalents

The Organization considers all highly liquid investments not designated for long-term purposes to be cash and cash equivalents. For the purpose of the statement of cash flows, the Organization considers all highly liquid investments designated for long-term purposes to be investments, not cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

Grants Receivable

The Organization records a receivable and grant income at the time grant funds are due from the grantor. Management estimates the allowance for uncollectible grants based on a review of the individual grant receivables outstanding as of the end of the year. Management writes off grants receivable as identified against the allowance amount. As of December 31, 2015 and 2014, the Organization considers all grants receivable to be fully collectible.

Investments

Investments are carried at fair value. Donated investments are recorded at fair value at the time of receipt. The cost basis of investments acquired by purchase is the price paid for the investment.

Fair Value

The Organization follows accounting guidance that defines fair value and specifies a hierarchy of valuation techniques. The disclosure of fair value estimates is based on whether the significant inputs into the valuation are observable. In determining the level of hierarchy in which the estimate is disclosed, the highest priority is given to unadjusted quoted prices in active markets and the lowest priority to unobservable inputs. The Organization measures investments at fair value on a recurring basis.

The following is a brief description of the type of valuation information (inputs) that qualifies a financial asset for each level:

Level 1 - Unadjusted quoted market prices for identical assets or liabilities in active markets that are accessible by the Organization.

Level 2 - Observable prices in active markets for similar assets or liabilities. Prices for identical or similar assets or liabilities in markets that are not active. Market inputs that are not directly observable, but are derived from or corroborated by observable market data.

Level 3 - Unobservable inputs based on the Organization's own judgment as to assumptions a market participant would use, including inputs derived from extrapolation and interpolation that are not corroborated by observable market data.

The Organization evaluates the various types of financial assets and liabilities to determine the appropriate fair value hierarchy based upon trading activity and the observability of market inputs. The Organization employs control processes to validate the reasonableness of the fair value estimates of its assets and liabilities, including those estimates based on prices and quotes obtained from independent third-party sources.

Promises to Give

Unconditional promises to give cash or other assets in the future are recorded as contributions revenue (temporarily restricted) and promises to give. Promises to give, less an allowance for uncollectible accounts, are reported at the net present value using an interest rate determined by management to be appropriate for the expected terms of the promise to give. The rate applied for the years ended December 31, 2015 and 2014 was 3.34%.

Property and Equipment

Property and equipment are carried at cost. Donated property and equipment are recorded at fair value at the date of receipt. Depreciation is computed using the straight-line method over the estimated useful lives of the asset, which can range as follows:

Buildings	20-30 years
Improvements	10-30 years
Furniture and equipment	3-10 years

In September 2015, the Organization modified the agency expenditure capitalization policy limit from \$1,000 to \$5,000, with an estimated useful life in excess of one year. Housing expenditures in excess of \$2,500 with an estimated useful life in excess of one year are capitalized.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

December 31, 2015 and 2014

Property acquired with governmental funds is considered to be owned by the Organization while used in the program for which it was purchased or in other future authorized programs; however, its disposition and ownership of any proceeds is subject to applicable regulations.

Net Assets and Revenue Recognition

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor imposed restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- *Unrestricted Net Assets* - include net assets that are not subject to donor-imposed stipulations.
- *Temporarily Restricted Net Assets* - include gifts subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time.
- *Permanently Restricted Net Assets* - include gifts for which the corpus is permanently endowed.

Donor-restricted support is reported as an increase in unrestricted net assets if the restriction expires in the same reporting period in which the support is recognized. All other donor-restricted contributions are reported as an increase in temporarily restricted or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions

Contributions, including unconditional promises to give, are recorded when received. Contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

In-Kind Contributions

Contributed use of facilities is recorded as support at its fair rental value during the period of use. Other tangible donations are recorded as support at their fair value during the period of use. Contributed services that require specialized skills (attorneys, computer consultants, etc.) are recorded in the statement of activities and changes in net assets as unrestricted support at their fair value. A number of unpaid volunteers, including board members, have made significant contributions of their time to develop the Organization's programs and special events. The value of this contributed time is not reflected in the statements of activities and changes in net assets, since it is not susceptible to objective measurement or valuation. Total volunteer hours contributed were approximately 23,600 and 20,800 for the years ended December 31, 2015 and 2014, respectively.

The Organization receives contributions of goods and materials (inventory) and processes these contributions as merchandise available for sale in its retail thrift store. Contributions are measured at fair value.

The Organization believes that the inventory of contributed goods and materials does not possess an attribute that is easily measurable or verifiable with sufficient reliability to determine inventory value at the time of donation. It is only through the value-added processes that prepare the donated inventory for sale that donated inventory has value. Accordingly, contributed goods and materials are not valued prior to being offered for sale, and no revenue is recognized until the date of sale. There is no contributions revenue recorded in the accompanying financial statements as of December 31, 2015 or 2014 associated with this inventory.

Functional Expenses

The cost of providing the various programs and other activities has been detailed in the statements of functional expenses and summarized on a functional basis in the statements of activities and changes in net assets.

Expenses that can be identified with a specific program service are charged directly to that program, according to their natural expenditure and classification. Management and general expenses that are not directly allocable are allocated based on their estimated usage in each program or supporting service.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

December 31, 2015 and 2014

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and has been determined not to be a private foundation (within the meaning of Section 509(a)(1) of the Internal Revenue Code). As such, no provision for income tax expense has been made in the accompanying financial statements.

Note B - Concentration of Credit Risk

The Organization maintains cash and cash equivalent balances that at times throughout the year may exceed FDIC insured limits. The Organization has not experienced any losses in such accounts, and management believes it is not exposed to any significant risk of loss on cash.

Note C - Investments

Investments are summarized as follows at December 31:

	Market	Cost
<i>2015</i>		
Money market funds	\$ 164,866	\$ 164,864
Fixed income securities	851,775	859,020

Change in market value of beneficial interest in perpetual trust	<u>(30,055)</u>	(353)
	<u>\$ 2,201</u>	<u>\$ 197,967</u>

Investments are pledged as collateral for the loan payable (Note I).

Note D - Beneficial Interest in Perpetual Trust

The Organization is an income beneficiary of a perpetual trust held by a third party. The Organization's beneficial interest in this perpetual trust is measured based on the fair value of the trust assets. The change in the fair value of the trust assets is reported as a permanently restricted gain or loss. Income distributions from the trust are reported as unrestricted contributions. The balance was \$362,452 and \$392,507 at December 31, 2015 and 2014, respectively.

Note E - Fair Value of Financial Instruments

The fair value of certain of the Organization's financial instruments, including cash, grants receivable, accounts receivable - other, prepaid expenses, accounts payable and accrued liabilities, accrued payroll, security deposits, and loan payable approximate cost because of their short-term nature. The fair value of the Organization's mortgages payable is considered to be comparable to the loan value of the obligation.

Assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3):

	Beneficial Interest in Perpetual Trust
December 31, 2014	\$ 392,507
Change in value	(30,055)
December 31, 2015	<u>\$ 362,452</u>

Note F - Promises to Give

Promises to give are comprised of several pledges that have been outstanding for several years restricted to be used for a specific program, HEP West housing for U.S. veterans of the wars fought in Iraq and Afghanistan. Estimated fair value of the promises to give of \$14,176 and \$30,868 as of December 31, 2015 and 2014, respectively, is determined by calculating the present value of the future payments expected to be received, using the payment schedule established by the donor, and a discount rate of 3.34%. At December 31, 2015, promises to give of \$14,176 are expected to be received within one year, which is less the discount of \$824 to present value.

Note G - Endowments

The Organization's endowments include both donor-restricted and board-designated funds.

Donor Restricted

The endowment fund was established in 2006 with a donor-restricted contribution of \$200,000. According to the agreement, the original \$200,000 corpus is not subject to withdrawal, and income from the fund is available for the purchase of fixed income assets and is only allowed to be withdrawn to the extent that the income, net of all expenses of the fund, exceeds one-half of the Consumer Price Index as published in the Wall Street Journal for the calendar year preceding any withdrawals. The right to withdrawal is non-cumulative.

Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program

Notes to Financial Statements

December 31, 2015 and 2014

With respect to the donor-restricted endowment, the Organization has interpreted the Florida Uniform Prudent Management of Institutional Funds Act (Florida UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date, absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the donor-restricted permanent endowment, (b) the original value of subsequent gifts to the donor-restricted permanent endowment, and (c) accumulations to the donor-restricted permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by Florida UPMIFA.

In accordance with Florida UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Board Designated

The board designated endowment fund was established by the board of directors to benefit the Organization by providing regular, predictable operating income that will help fill gaps caused by increasing costs, demands, and the possibility of diminishing government support. Management expects the principal to be preserved; however, the principal and earnings are available to provide support for the Organization's programs and facilities.

Investment Return Objectives, Risk Parameters, and Strategies

The Organization has adopted investment and spending policies, approved by the board of directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds, while also maintaining the purchasing power of those endowment assets over the long term. Accordingly, the objective for the portfolio is a balanced return focusing on capital appreciation with a secondary focus on current income through a higher allocation to equities than fixed income and where appropriate other asset classes.

Endowment assets are invested in a well-diversified asset mix, including equity and debt securities, intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution, if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund. Investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Endowment net asset composition by type of fund is as follows as of December 31:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total Net Endowment Assets
<i>2015</i>				
Donor restricted endowment funds	\$ -	\$ -	\$ 222,560	\$ 222,560

Depreciation expense is \$691,835 and \$694,146 for the years ended December 31, 2015 and 2014, respectively.

Construction in progress is stated at cost, which includes the cost of construction and other direct costs attributable to the construction. No provision for depreciation is made on construction in progress, until such time as the relevant assets are completed and put into use. Construction in progress at December 31, 2015 represents renovations of the family transitional building. Construction in progress at December 31, 2014 represents renovations to the community center.

Note I - Loan Payable

During March 2009, the Organization entered into an agreement with Bank of America for a \$1.4 million credit facility to be used as a cash flow tool in construction of the service building. Borrowings under the credit line carry an interest rate of LIBOR plus 1.5% (1.93% and 1.67% at December 31, 2015 and 2014, respectively). The Organization is able to request Bank of America to make additional demand loans in the aggregate principal amount that would not cause the total amount outstanding to be in excess of \$1.4 million. Bank of America may decline any request at its sole discretion, with or without cause. The loan payable is due on demand and collateralized by unrestricted investments. The amount outstanding was \$955,000 as of December 31, 2015 and 2014. The Organization paid \$16,514 and \$16,024 in interest associated with this line of credit for the years ended December 31, 2015 and 2014, respectively.

Notes to Schedule of Expenditures of Federal Awards

Year Ended December 31, 2015

Note A - Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activities of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program (the Organization). The information in the schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR), Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Some amounts presented in the schedule may differ from amounts presented or used in the preparation of the financial statements.

Note B - Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or limited as to reimbursement.

Note C - Indirect Costs

The Organization did not elect to use the 10% de minimis indirect cost rate allowed by the Uniform Guidance.

Note D - Contingencies

Expenditures incurred by the Organization are subject to audit and possible disallowance by the federal grantor agencies. Management believes that, if audited, any adjustment for disallowed expenses would be immaterial.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors
Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program
Clearwater, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program, which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 22, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control. Accordingly, we do not express an opinion on the effectiveness of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected, and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

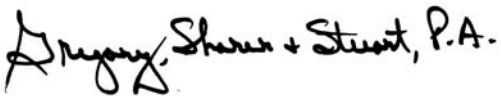

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance

Board of Directors
Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program
Clearwater, Florida

Report on Compliance for Each Major Federal Program

We have audited Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's major federal programs for the year ended December 31, 2015. Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR), Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's compliance.

Opinion on Each Major Federal Program

In our opinion, Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2015.

Report on Internal Control over Compliance

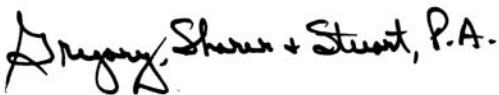

Management of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Homeless Emergency Project, Inc. d/b/a Homeless Empowerment Program's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
